## Directions to Failla Wines

### ***Northbound from Napa:***

Travel north on Silverado Trail from the town of Napa toward Calistoga. It is approximately 35 to 40 minutes from Napa to Calistoga depending on traffic. You will eventually come to a cross street (Deer Park Road) recognized by *flashing red lights*. Continue driving north on Silverado Trail towards Calistoga. Failla will be located on the east side (right side) of the road at the address: 3530 Silverado Trail. Currently our signage is our name, Failla, discretely written on our red mailbox.

### ***Southbound from Calistoga:***

Travel south on Silverado Trail from Calistoga toward St. Helena. It is about a ten-minute drive from Calistoga to St. Helena. Failla will be located on the east side (left side) of the road at the address: 3530 Silverado Trail. Currently our signage is our name, Failla, discretely written on our red mailbox.

**\*\*IF USING A GPS, PLEASE NOTE:** It is very important to enter the street as “Silverado Trail NORTH” and the town as “Saint Helena” (not Napa). The numbering on the Silverado Trail switches about half way up, and there is in fact another 3530 Silverado Trail, at the southern end. Don’t let your GPS mislead you – Failla is halfway between the towns of St. Helena and Calistoga.
